## SADRŽAJ

Predgovor	5
Uvod	7
Bibliografija članka „Review of International Affairs“ – hronološki prikaz	9
Bibliografija članka „Review of International Affairs“ – abecedni prikaz	41

## **PREDGOVOR**

U godini kada Institut za međunarodnu politiku i privredu obeležava 70 godina postojanja, želeći da prikazemo njegov rad javnosti, izradili smo bibliografije članaka iz časopisa koje Institut izdaje. S obzirom da "Review of International Affairs" od 2002. godine izdaje Institut, a 2009. godine prerasta u naučni časopis, opredelile smo se da Bibliografiju radova iz ovog časopisa radimo od godine kada postaje naučni časopis.

Smatramo, takođe, da ova Bibliografija pored toga što odslikava rad Instituta kroz pisane radove, trebalo bi da posluži i svima koji se bave naučnoistraživačkim radom u oblasti međunarodnih odnosa.

Autori

## UVOD

Časopis "Review of International Affairs" je nastao kao varijanta časopisa „Međunarodna politika” na engleskom jeziku.

„Međunarodna politika” je jedan od najstarijih časopisa u našoj zemlji koji se bavi međunarodnim odnosima i štampana je na više jezika. Njegov prvi broj je izašao 1950 godine. U prvih 50-ak godina bio je priznat kod nas i u svetu kao izvor kvalitetnih članaka, analiza, studija i dokumentacije o savremenom razvoju međunarodnih odnosa i mestu Jugoslavije u svetu. 2002. godine, „Međunarodna politika” je pripojena Institutu za međunarodnu politiku i privredu koji je nastavio da štampa časopis na srpskom i engleskom jeziku ali ne sa istim sadržajem. Tekstovi na engleskom jeziku su imali zadatak da predstavljaju inostranstvu spoljnu politiku Srbije, njen unutrašnji razvoj i odnose sa pojedinim zemljama. Tako započinje svoj samostalni život "Review of International Affairs" koji tokom godina prerasta u naučni časopis zahvaljujući kvalitetu priloga koji se objavljuju u časopisu.

"Review of International Affairs" izlazi kvartalno na engleskom jeziku.

Ova Bibliografija ima za cilj da prezentira dosadašnja naučna dostignuća u oblasti međunarodnih odnosa i predstavi rad Instituta javnosti. Bibliografija je uređena hronološki i abecedno.
