

## OPEN ACCESS POLICY

Journal *International Problems/Međunarodni problemi* is available in accordance with the open access principles. It is issued in hard-copy and digital forms. The articles can be downloaded free of charge from the website and distributed for academic and other purposes. The Journal adheres to the [Budapest Open Access Initiative](#) which states the following:

*By “open access” to [peer-reviewed research literature], we mean its free availability on the public internet, permitting any users to read, download, copy, distribute, print, search, or link to the full texts of these articles, crawl them for indexing, pass them as data to software, or use them for any other lawful purpose, without financial, legal, or technical barriers other than those inseparable from gaining access to the internet itself. The only constraint on reproduction and distribution, and the only role for copyright in this domain, should be to give authors control over the integrity of their work and the right to be properly acknowledged and cited.*

Journal enables free access to all its articles, without subscriptions and free of any related charges. Its content is released without any delays (such as the embargo period) and its materials may be used without asking for a specific permission on the condition that a full reference to the original document is provided.
