

THE REVIEW OF INTERNATIONAL AFFAIRS SUBMISSION GUIDELINES

The Review of International Affairs is a peer-reviewed journal that focuses on the theoretical, methodological and practical dimensions of international affairs. We strongly encourage papers on politics, economics, security and international law issues in the Balkan regional context. Aside from the Balkan-related issues, we are welcoming papers on other regional studies as well. However, this focus thus not presuppose limitation for articles, studies and comments on other relevant international topics.

Submission of a manuscript implies: that it is not under consideration for publication anywhere else; that the work described has not been published before; that its publication has been approved by all co-authors, if any, as well as by the responsible authorities – tacitly or explicitly – at the institution where the work has been carried out. The publisher will not be held legally responsible should there be any claims for compensation. Manuscripts should be submitted by email to the editorial office: RIA@diplomacy.bg.ac.rs and riadiplomacy@gmail.com

Together with the submission, the authors should send a signed Author's statement form (signed and scanned, as an attachment, in the .pdf format), to the same e-mail addresses: RIA@diplomacy.bg.ac.rs and riadiplomacy@gmail.com

Papers should be written in English. Papers must be proofread. Authors whose first language is not English should ask a native speaker to proofread manuscript before the submission. In addition, author from BHS language region should provide abstract in Serbian language. For authors from other region, editorial team will provide translation of the abstract. The manuscripts submitted for publication are subject to anonymous peer review. The author should remove all personal identification data from the text.

The Editorial Board will make an initial screening of all manuscripts received. Selected manuscripts will be reviewed by at least two referees on the basis of anonymity. The review process takes between two and six months. Submitted papers which do not comply with Instructions for authors will not be included in the review procedure. Papers which have received positive reviews with suggestions for changes/improvements will be sent to the authors together with the anonymous reviewers' comments.
